HELLO!

Overindulged this Christmas? These low-sugar cocktails are for you...

Cocchi Americano Spritz - 95 calories

The same amount of calories as a medium sized banana, the Cocchi Americano Spritz is made with 60ml Cocchi Americano Vermouth, 20ml White Grapefruit Juice (fresh), prosecco and ice.

Starting with the Americano, build all of the ingredients into the glass, including ice cubes, and top up with Prosecco to the top of the glass. Garnish with a fresh mint sprig.
